Dear Mrs. Edwards-Alleyne,

RE: PLIPDECO TARIFF INCREASE

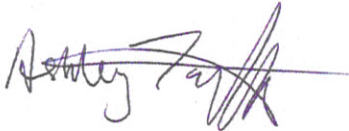

Further to your letter dated July 5th 2012, the concerns expressed are duly noted.

As reflected in our Notice dated June 13th 2012, the Corporation has been placed in a position where it was constrained to implement a rate increase. Following concerns raised by a number of stakeholders a decision was taken to defer implementation to September 1st, 2012 from the originally planned dated of August 1st, 2012.

We understand the impact on stakeholders and will continue to work with stakeholders on a collaborative basis to improve their operations, thereby increasing their level of competitiveness.

Please be guided accordingly.

Sincerely,

Ashley Taylor
President
